

\$1.30 : #33

Hail Jikari!

September 1986

Published by Mark S. Keller, 2 Seaside Court, Sacramento, CA 95831-3775.

Phone: (916) 427-7183 <6pm - 11:30pm weeknights, 12am - 1am weekends>

Subs are on a sub balance basis - normally \$1.30 to \$1.35 an issue.

Deadline for all games is 10/11/86 (Phone deadline is noon).

Diplomacy is the registered trademark for a game (c) by Avalon Hill.

Standbys are badly needed. You must sub to Hail Jikari to play or standby.

Game openings in Final Conflict, signed up: Swider, Peters, Acheson.

Standby list: Carter, Peters, Acheson, Frueh, Botimer, Gestiehr.

Another issue on a borrowed Compaq Plus. Please note that there was a typo in my last issue on my zip code. The one shown above is correct.

Most of you have probably heard of it, but just in case you haven't I'll plug it anyway. Bruce Linsev has put out a good publication for publishers and gamemasters called "Once Upon a Deadline". It's available from him for \$3.00 at 73 Ashuelot Street, Apt. 3, Dalton, MA 01226.

On that note, some of you may wonder how I adjudicate a game. I'll include a sample on the spare map. It will be a bit small reduced but you'll get the idea. It's a little system I developed a few years ago.

Marc-Bob: Part of being a MadLib is not giving a flying f--- what anyone thinks of you. Any attempt to "analyze" a group of wildly diverse individuals is a great waste of time anyway. (But I'll try to get ahead of the article anyway.)

PRESS

Yle-Par: Haven't I seen you somewhere before?

Eng-Ger: Did you forget? You were all "burned out". Remember? Light it up, again.

Eng-Fra: First it's guilt by association. Now it's suicide. Say good bye to your roommate for me. OK?

New Frog-Old Wop: Nothing personal - just continuing in my predecessors footsteps.

New Frog-New Limey: Wow, a dream come true - Evans between me and the
Puppy. Brool, drool, chomp, chomp!

PFM-Scratchy: How are you going to crawl out from under a rock if you're sloshed in Hunchen Beer house?

Mark-Evans: It hasn't been very cold yet here in hell but let's try to ally anyway.

Mark-Marc: Hope you showed Italy the "French kiss".

Mark-Mark: He tried --- but got slapped in the face.
